

June 26th, 2025

Dear Neighbors,

As you may or may not be aware, the front entrance lights on both monuments, along with the streetlight at the entrance to the neighborhood, have been out for the past couple of weeks.

Laurens Electric has been notified and has already dispatched crews to assess the issue. They have identified the problem and plan to re-route the power supply to the front entrance within the next couple of weeks to restore power.

The good news? There will be **no cost** to the HOA for the repairs — great news for our community!

Thank you for your patience and understanding as we work through this issue.

Best regards,

Your HOA Board
